What's new in Elden Ring:

Enjoy the eastern fantasy drama of fusing the online RPG systems of diverse games like "World of Warcraft," "Dungeons & Dragons" and "Final Fantasy," while experiencing an exciting story and challenges that combine into the Lands Between system that flies in the clouds and goes back in time.

In addition to single player, the game also features a network mode where you can share a point-of-view with a friend who plays as a different character, have a two-player adventure, and undertake challenging cooperative games.

As a game that blends the fantasy elements of "World of Warcraft" and "Dungeons & Dragons" with its own expansive online world of Tarnished Chronicles, the game will also appeal to a wide audience of players with diverse titles.

Moving forward, we will continue to improve the online RPG experience, invite strong partners, and deliver an even more memorable game experience.
